Personnel:

Congratulations to Cheri Fitzgerald. She has successfully passed her EMT training, her National Registry test, and received her State of Michigan license. Thank you for all you do for the department and our community. The department has 7 active EMT's on the roster.

The Chief will meet with Dr. Lesoski from Occupational Health on Feb 14th to discuss department physicals. The physicals are mandatory and a condition of employment. The extent of the physical will be based on the age of the patient. The Chief will contact all personnel when it is time to schedule your physical with Occupational Health. As we have done in the past, personnel will be paid for 4 hours at their hourly rate.

All personnel updated their optional MERS payroll deduction with the Fire Chief.
